

## 2022 PBATS PRODUCT REVIEW INFORMATION

The Professional Baseball Athletic Trainers Society (“PBATS”) holds a trade show each year, our “Product Review”, targets innovative companies interested in the athletic training market. This year’s Product Review is scheduled to be held at **the Manchester Grand Hyatt in San Diego, CA on Friday, December 9, 2022, beginning at 1:30 p.m.** *Date and time subject to change.*

The format of the 2022 Product Review will return to the in-person format, and our members are thrilled to finally be meeting in-person again. At least one member from each the Athletic Training Staff of at least two Major League Baseball organizations will be at your booth for a 7-minute visit. Following such visit, the Athletic Training Staffs will rotate to the next booth. The booths will be placed into Groups A and B, as will the Athletic Trainers from each organization having members in both groups.

All 30 MLB Athletic Training Staffs will visit your company’s booth. Following the visit to your booth, you will have a break for the next 7-minute period. This “break” will provide a brief respite, allowing some additional one on one time for questions that arise, and greatly reduce noise in the exhibit hall. When your company is giving its presentation, the booths on either side of you will be on “break.” PBATS encourages door prizes and/or giveaways as a great way to collect business cards from the participants.

The Product Review is currently scheduled to be held in the convention area at the **HOTEL**, which also serves as the MLB’s Winter Meeting Headquarters. **WE ARE UNABLE TO SECURE YOUR COMPANY GUEST ROOMS FOR THE EVENT.** As such, accommodations are “on your own”. Your Product Review “booth” contains an 8ft. table, three chairs, and wastebasket. Wi-Fi Service will be provided in the exhibit hall. We anticipate power being available at each booth although there may be an additional fee from the hotel for this service charged to your company. Additional power and setup assistance needs to be arranged well in advance of arrival and will be billed directly to your company. Shipping details we be available as we get closer to the event.

Depending on space issues and upon approval from major league baseball, we anticipate the exhibit hall to be available for set-up on **the morning of Friday, December 9, 2022.** PBATS will confirm this with participating vendors before the show.

There will be a social hour in the exhibit hall following the conclusion of the presentation period, where you can meet and mingle with our membership. Representatives from the athletic training staffs of every major league baseball organization and numerous minor league clubs scheduled to attend.

### UPDATES FOR 2022

1. **Paperless – Again this year PBATS will supply each member with digital versions of the paper that you would typically bring to the show. We ask that you limit this to an e-catalog and information of the products you plan to exhibit at the show.**
2. **Additional sponsorship & advertising opportunities are currently available, outside of the 2022 product review showcase and can be shared with your team upon request to [sam@theromanogroup.com](mailto:sam@theromanogroup.com). These opportunities are available on a first-come-first-serve basis.**

PBATS will begin accepting Product Review applications on **August 1, 2022.** There are a limited number of slots available for this opportunity. Please respond promptly. **Space will be confirmed ONLY upon receipt of the registration application AND full payment of the application fee — \$3,750 — which will be paid online via PayPal link sent by PBATS.** Respectfully, we ask that you fast track this should you choose to attend. Each year we have vendors that do not make it in time and the show sells out. Under this format, we cannot “squeeze-in” additional vendors. Should the show sell out, we will “wait list” applications and if available provide other possible opportunities including sponsorship of breakfasts, lunches, coffee breaks, and social engagements during the meetings.

PBATS is excited to get the chance to work with you. If you have any questions, please feel free to contact us at any time at [kyle.turner@royals.com](mailto:kyle.turner@royals.com) or [sam@theromanogroup.com](mailto:sam@theromanogroup.com).

See you at the show!

Kyle Turner, ATC  
Head Athletic Trainer
